# PCN & NEFCO Fire Investigation Present:

## Maximizing Your Subrogation Recovery: Fire Losses

**Facilitator:** *Danielle Sullivan Kaminski* – THE CHARTWELL LAW OFFICES LLP

Danielle Sullivan Kaminski is a Partner in Chartwell's New York City office. Ms. Kaminski concentrates her practice in the areas of first-party property, subrogation, transportation, and construction law. Ms. Kaminski handles complex subrogation matters, including losses caused by fires, explosions, structural collapses, boiler, machinery and equipment failures, gas and water leaks. In addition, Ms. Kaminski regularly provides clients with coverage opinions and defends matters involving first-party property, builders' risk, motor carrier/trucker, marine, aviation and general liability policies. She is a 1995 graduate of Binghamton University and a 1998 graduate of Fordham University School of Law.
